

# Thank You for choosing

## A Message from Maribeth

It's a milestone year for Bag Makers, as we celebrate 45 years in business in 2025!

When I founded Bag Makers in 1980, many businesses couldn't find a supplier willing to offer printed bag quantities less than 5,000. We proudly filled that gap in the market by offering low minimums. Every day since, I've focused on finding ways to meet the changing needs of our customers. I'm always searching for new products and print processes to keep our offerings fresh and exciting. (On that note, be sure to check out our new-for-2025 Denim Totes, Riley Jute Tote, Sandford Deluxe Canvas Tote, and Heavy-Duty Polyester Totes!)

I truly value the partnerships we've established with distributors, suppliers, and vendors over the last four decades. Some of our suppliers have been with us for 15 to 30 years, and several employees have been a part of the Bag Makers family for 35+ years. This longevity is part of what makes Bag Makers special—our employees build relationships with our customers, and customers know they can trust us with their important orders.

Rest assured, our team will keep working hard to exceed your expectations and to provide safe, quality products that meet or surpass industry standards. Thank you for your support; your business is important to us!

Warmly,

Maribeth Sandford

Chief Executive Officer
